Social Justice Week – Phenomenon Based Learning

What is Phenomenon Based Learning?

- Throw the timetable out the window!
- Choose a topic or a problem e.g.
Social Justice
- Cross Curricular Approach 
- Used in Finland very effectively
- Shifts the focus from subject matter to problem solving and learning

Exit Ticket

Date: 17/10/16

I learned that I am very fortunate compared to other people around the world and maybe I should do more to contribute.

GOAL

Exit Ticket

Date: 17/10/16

I learnt About the non-profit Organisation 'Goal' and learned about how natural disasters effect people around the world.

What Next? Social Challenge

**Luas Christmas
Box Appeal**
