ELLLOW

ELLF

"We support Yellow Flag in our school.
All countries are equal & all countries rule.
Whether your skin is brown, black or white,
We learn to play together, we DO NOT fight!
We celebrate all cultures & different ways of life,
We promote PEACE, not trouble & strife.
So whether you are Christian, Muslim or Jew,
Listen to my words, they are so true.....
No matter where you are from or the colour of your skin,
If we work together, we shall all win!"

M.E.T.N.S. Diversity Code

*We are all united under the sun,
We are loyal to everyone.*

*Like sister and brother, we accept each other.
We have each other's back, we cut each other slack.
We should all have pride, it'll show our best side.*

*All around us different faces,
Different people from different places,
Different colour, shape and size,
Accepting difference - now that's wise!*

*We are all friends in this school,
That is why we are cool!*

*You are different, I am too,
But we are equal, me and you.*
