

Educate Together's
Second-Level
Ethical Education
Art Competition

This year **Educate Together** turns **40!** This landmark year has also seen Educate Together awarded **patronage of the four new second level schools due to open next year** in Galway, Wicklow, Drogheda and Dublin 13, bringing the total number of Educate Together second-level schools to 17 in 2019!

To mark this exciting time in Educate Together's history, we're inviting Educate Together second-level students to **create artworks inspired by the seven strands of Educate Together's Ethical Education second-level curriculum.** The winning entries will be made into the official Ethical Education curriculum posters which will be framed and hung in every second-level Educate Together school in Ireland!

**Entries from all year groups
are welcome!**

The results of the art competition will be announced on **05/02/2019** at an exhibition of the entries and awards ceremony that will take place at **Science Gallery Dublin**, from 5 - 7pm.

Full information can be found on our website:

www.educatetogether.ie/40-years-art-competition

**Deadline:
25th January
2019**
